

S.O.S.

Franchisees of both the *Queen Mary*
and the "Spruce Goose" will not
renew their contracts.

--*Los Angeles Times*

Each one cut loose
From its financing,
Ship and Goose
Are now advancing

Side by side,
Or in close tandem,
Closely eyed
By wreckers random

Toward the shame
And ignominy
Of the flame
Sans keeper any.

Save O Save!
Vancouver, purchase;
Dock. Texas' brave
Check-writing Murchi-

son--Clint--bail out
Hughes' plywood folly.
Float the stout
Old *Queen* to Bali,

On a cruise
For Sadie Thompsons.
Mr. Hughes'
And Mrs. Simpson's

Forces go--
No one can doubt it,--
With you. Know
As much, and shout it

From the wheel
(Or stick) : "The Board Room
Is a shill:
A many-whored room."

Sauce for the Goose...
What is it, Sadie?
The liner, Hughes,
Is still a lady..
